## **Events Leading to War - A Civil War Timeline**

The Compromise of 1850 was a package of five separate bills passed by the United States Congress in September 1850, which defused a four-year political confrontation between slave and free states on the status of territories acquired during the Mexican-American War (1846-1848).

## **Compromise of 1850 - Wikipedia**

To compromise is to make a deal between different parties where each party gives up part of their demand. In arguments, compromise is a concept of finding agreement through communication, through a mutual acceptance of terms often involving variations from an original goal or desires.
